

Etowah Riding Club

Looking for Show Sponsors, Donations, & Support!

The **Etowah Riding Club** is a community {501c} non profit based group that promotes equestrian activities & fellowship across all disciplines. We have been around for more than **50 years**! We host 6+ shows per year at our arena just outside of Asheville, NC. We pride ourselves on being a great place for both beginner riders & experts alike. We support local trail systems, 4H clubs, & helping keep agricultural resources available in our changing area. We have a wide audience of local equestrians that follow our club on social media and we are looking to grow the number of active members & show attendance. Your sponsorship serves as a great way to support the local equestrian community & advertise your business!
